ULSTER SAVINGS CHARITABLE FOUNDATION RECOGNIZES OUTSTANDING YOUTH AND EDUCATORS IN OUR COMMUNITY

The Ulster Savings Charitable Foundation recently awarded nearly \$40,000 to fifteen (15) area students and fourteen (14) educators at their Scholarship and Learning Initiatives For Educators (L.I.F.E.) Grant Awards Reception held at the Hillside Manor in Kingston.

The Foundation scholarships were awarded to recognize outstanding academic and personal achievement by community-minded students in our community. The L.I.F.E. grant program, created by the Foundation in 2008, assists teachers throughout Ulster County with funding for specific purchases or programs that are outside of their regular budget.

The Ulster Savings Charitable Foundation was formed in 2003 to assist the local community in areas of housing, economic development, education, and health & human services.
