## ULSTER SAVINGS BANK ANNOUNCES WINNER OF "TEACH CHILDREN TO SAVE" PROGRAM RAFFLE

**Ulster Savings Bank** is pleased to announce that **Gage Lucas**, a pre-school student at the Winter Bear Montessori School in Kingston, was recently selected as the winner of a \$1,000 U.S. Savings Bond raffle held in honor of the Bank's "Teach Children to Save Day" program.

"Teach Children to Save" is held each Spring, when thousands of bankers across the country make presentations to students on the importance of saving for their future. Locally, employees of Ulster Savings Bank partnered with area schools and community groups to educate children about the benefits of saving money by using in-person presentations and other methods.

Ulster Savings Bank is committed to developing and providing education programs that lead to financial literacy.

For more information about the "Teach Children to Save" program or any of the Bank's student savings programs, please visit any local Ulster Savings Bank branch or call US at (866) 440-0391.
